Mr. Murphy,

Re; SCH # 2004074007

After reviewing the Draft Environmental Impact Statement for the Clear Creek Management Area, I have no significant concerns. CAL FIRE and the Bureau of Land Management have long enjoyed an excellent, cooperative working relationship on fire management issues in the Clear Creek area and I would expect that to continue in the future.

Thank you for giving us to opportunity to review and comment on the project.

Sincerely,

Richard C. Hutchinson, Jr.
Chief
